FLINT WINES DINNER CLUB

Flint Wines Dinner Club was established in May 2010 with a simple premise to being people and good bottles together. Based very much on the French Paulée system where friends bring their own bottles to share with fellow members around a dining table, we intend to hold between four and five dinners a year at various restuarants across London.

There will be general themes to each dinner which will be used as guidelines as to what members should bring rather, although, of course, there are no hard and fast rules. Places at each dinner will be limited but we hope most members will be able to attend at least a couple of dinners each year. Membership is free but, of course, members ar expected to pay for their dinner

.

We will issue regular newsletters to keep members updated on forthcoming events and include reviews of previous dinners and the wines that were drunk.
