Domaine Buisson-Charles

2005 Meursault Vieilles Vignes

"The flavor profile is big, rich, sweet, intense and impressively complex with lovely balance and punch coming through on the very dry and persistent finish. Outstanding potential quality at this level and worth a close look." Burghound.

2007 Meursault Vieilles Vignes

"A ripe and very Meursault nose features notes of honeysuckle, hazelnut and fresh citrus that continues onto the rich and relatively full-bodied flavors that retain a fine sense of underlying detail and solid acid support, all wrapped in a balanced, energetic and perfumed finish. Lovely." Burghound.

2007 Meursault 1^{er} Cru Goutte d'Or

"This is slightly riper but more elegant with a subtle touch of spice adding depth to the citrus, apricot and fresh peach aromas that leads to detailed, lemony and more obviously mineral suffused flavors that possess excellent complexity on the driving finish. There is absolutely no sense of heaviness present, which Goutte d'Or can sometimes display, with perfect balance. This is at another level". Burghound.

2007 Meursault 1^{er} Cru Charmes

"As it usually is at this address, the Charmes is noticeably more complex if not necessarily more elegant than the Les Cras with a layered, ripe and pure nose of orchard fruit and citrus blossom that complements the round and relatively opulent medium-bodied flavors that do not lose focus or precision on the sappy and mouth coating finish that displays admirably fine length. Lovely stuff and I like the hint of backend minerality." Burghound.
