

FLINT WINES

Wine Club

From October 1st 2009 Flint Wines are launching an exclusive bi-monthly mixed case Wine Club. On the first Tuesday of every other month you will have a case of carefully selected wines delivered to your front door. It's as easy and as simple as that.

Each case will feature 2 bottles of six different wines, three red and three white. They will be seasonally chosen so that you can enjoy the perfect wine to match with both the weather and the food you are eating. For instance, in the autumn and winter the red wines will be robust and intense, perfect for game and red meats, whilst in the spring and summer they will be lighter and more fish-friendly. Every case will include information on the properties from which the wines come, tasting notes and suggestions as to what to serve them with.

There will be 2 price options. The first option will cost £110 and feature great value wines that are perfect for everyday drinking. The second will include a few more indulgent bottles for special occasions and cost £180. A payment will be taken every month for either £55 or £90, depending upon which option you choose. All prices include delivery and VAT.

Please contact us on harry@flintwines.com or telephone 0207 582 2500 to set up your account and remember, if you introduce a friend we will send you a FREE bottle of Champagne!
